TOUCH SYSTEMS

P7080I-U3

70" Large-Format Touch Display

This 70" touch screen can operate 24/7 due to its internal and external design. Internally, the display features thermal and cooling abilities as well as self-diagnosis tools and fan technology. Externally, the display claims a sealed, industrial-strength, premium-grade panel design, so you can mount the display in even the most heavily trafficked areas.

AT A GLANCE

- 24/7 operation
- LED Edge-lit
- 4000:1 contrast ratio
- Industrial strength design

APPLICATIONS

- QSR
- Airports
- Public spaces
- Medical
